UPWARD BOUND PROGRAMS

... striving to create UPWARD BOUND scholars, self-actualized learners that realize education is the key to social change, that learning extends beyond the limits of the classroom, and ultimately, students that endeavor for excellence.

Preparing Visionary Youth for Tomorrow...Today!

Each year, UPWARD BOUND improves the lives of students, their families, and ultimately the community. The presence of this program and others similar to it, serve as a constant reminder of what great things can happen when students are given the tools to reach their potential.
