Dear Applicant:

The Upward Bound Program at The University of Texas at Arlington is a federally funded college preparatory program, which has been providing services to area high school students since 1982. The goal of the program is to develop in its participants the academic skills and motivation necessary for successful completion of high school and college.

Potential candidates for Upward Bound must commit to preparing themselves for post-secondary education before being accepted into the program. In return, Upward Bound provides its participants with a wide range of free services – tutoring, counseling, classroom instruction, college and career guidance, aimed at improving their academic skills and their motivation and determination to pursue a post-secondary education.

We look forward to hearing from you. If you have any questions, please call the Upward Bound office at (817) 272-2610.

Sincerely,

Lisa Thompson, Director
TRiO Pre-College Programs
