<th><strong>Eagle Mountain-Saginaw ISD: AVID Tutoring</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>1200 Old Decatur Rd. Ft. Worth, TX 76179</td>
</tr>
<tr>
<td><a href="http://www.emsisd.com">www.emsisd.com</a> (school locations vary)</td>
</tr>
</tbody>
</table>

**Description:** AVID (Advancement Via Individual Determination) is a college readiness program designed to increase school-wide learning and performance. Students acquire organizational and study skills, develop critical thinking skills, engage in inquiry-based questioning, work in cooperative groups, and participate in enrichment and motivational activities that encourage them to attend college. Interns will tutor middle or high school students during their AVID elective period in core content areas. The specific school will be determined after training (it will likely be one of the 3 high schools).

**Desired qualities:** Must be punctual; able to work with small groups of middle/high school students in a classroom setting.

**Number of positions:** 3-5

<tr>
<td>501 Oakland Blvd. Fort Worth, TX 76103</td>
</tr>
<tr>
<td><a href="http://www.efwma.org">www.efwma.org</a></td>
</tr>
</tbody>
</table>

**Description:** EFWMA is a charter Title I school. Interns will work with veteran teachers in a Montessori and Traditional setting. Interns will be given an opportunity to work with small groups of students who are struggling academically, are in need of challenging work/projects, or are in need of ESL services. They will be able to experience the procedures of taking struggling students through the SSI process and be a part of upper elementary getting ready for the STAAR test. Tutoring subjects include ELA, math, and some science. Grades tutored: 3rd, 4th, and 5th.

**Desired qualities:** Resourceful; willing to be flexible; intention to stay in the classroom and learn. Desire someone who can engage the students if given the opportunity to showcase their passion for teaching.

**Number of positions:** 2

</thead>
<tbody>
<tr>
<td>Local elementary and middle schools; sites TBD</td>
</tr>
<tr>
<td><a href="http://www.girlstart.org">www.girlstart.org</a></td>
</tr>
</tbody>
</table>

**Description:** Interns will teach elementary and middle school girls in after-school clubs with hands-on science, engineering, technology, and math activities. Interns will prepare materials (provided by Girlstart), learn and implement the Girlstart method in all program activities, maintain program attendance and evaluation information, facilitate classroom management techniques, act as a positive role model for girls, and provide feedback to the Program Director. Note: specific school locations are TBD; an e-mail notification will be sent when this document is updated.

**Desired qualities:** Positive; outgoing; self-motivated; dedicated; experience working with girls; goal-oriented; extremely organized; excellent communication skills; reliable transportation.

**Number of positions:** 2

**Special note:** Girlstart positions are for female interns only.
## Museums and Educational Centers

| **Botanical Research Institute of Texas**  
1700 University Dr.  Fort Worth, TX  76135  
www.brit.org | Flexible between Mon – Fri, 9:00 am – 5:00 pm & Sat, 10:00 am – 2:00 pm. Some weeknight possibilities.  
**Description:** The BRIT SEED School connects children to nature by inspiring and supporting educators to use the outdoors as a classroom. This position will provide assistance in the following areas: a) professional development workshops, b) school field trips, c) teacher resource center, and d) family programs. The population being served includes DFW K-12 educators, DFW K-12 students, and non-profit organizations focusing on environmental education.  
** Desired qualities:** Friendly; good customer service; eager to learn; knowledge of Microsoft software (Word, Excel, PowerPoint); ability to work independently and with a team; interest in science and/or education. Knowledge of InDesign, graphic arts, and marketing/promotional techniques would also be helpful.  
**Number of positions:** 2 |
| **C.R. Smith Aviation Museum**  
4601 Highway 360  Fort Worth, TX  76155  
www.crsmithmuseum.org | Flexible between Tue – Sat, 9:00 am – 5:00 pm & Sun, 1:00 pm – 5:00 pm.  
**Description:** Interns will assist museum staff with projects such as accessioning artifacts, implementing educational programs, working with exhibits, and educating visitors. C.R. Smith has a small staff that all pitch in to get projects moving.  
** Desired qualities:** Punctual; independent; courteous; organized; energetic; responsible.  
**Number of positions:** 2 |
| **Fort Worth Museum of Science and History**  
1600 Gendy St.  Fort Worth, TX  76107  
www.fwmuseum.org | Flexible between Tue – Sun, 9:30 am – 5:30 pm.  
Shifts of 4 hours are preferable, but can be flexible.  
**Description:** Interns will work with museum staff to facilitate guests’ experience and work with guests in the museum. Interns will support educational programs. Museum guests are diverse in nature and range from toddlers to adults. Guests also include school field trips and homeschool groups.  
** Desired qualities:** Work well with people of all ages; reliable; team player; conscientious; active listening skills; friendly; professional demeanor.  
**Number of positions:** 2 |
| **Irving ISD: Gilbert Hands On Science Center**  
2621 W. Airport Freeway, Irving, TX 75062  
www.irvingisd.net/sciencecenter | Flexible between Mon – Fri, 7:30 am – 3:30 pm.  
**Description:** Interns will refurbish science kits with materials provided by the district. There will be opportunities to observe and interact with students at the elementary and middle school level. Irving ISD students represent a culturally diverse population of learners. The district serves many economically disadvantaged students as well as LEP and special needs learners. Opportunities are available for the intern to visit nearby schools that serve large LEP populations.  
** Desired qualifications:** Punctual; ability to stay on task; ability to follow directions and seek clarification if needed.  
**Number of positions:** 3 |
On-Campus Positions

<table>
<thead>
<tr>
<th>College of Science: Science Ambassador</th>
