BLOG ENTRY 1
ART 2304 DIGITAL DESIGN
Instructor: Erik Tosten

Assignment:

Your assignment is to scour the Internet for an example of outstanding use of
digital media. Discuss how the elements and principles are used to make this
design great in addition to your personal response to the work. On your blog
entry, list your name and a link to your chosen site. Don't just talk about your
favorite web site or your best friends myspace page, think about how your
example relates to digital art/ design as a whole and to this course.

Instructor will provide the blog url.

Browse these links to get an idea of the types of digital work the instructor is looking for.

Outcomes:
1. Broaden the scope of students’ understanding of digital media.
2. Through writing, demonstrate how traditional elements and principles relate to
   new media.
