CAMPUS CRIME STATISTICS

Crime statistics are collected by the UTA Police Department daily and are reported to the Federal Government and the State of Texas as required by the Federal Clery Act. The statistics are compiled from reports made to the UTA Police Department by campus security authorities and other appropriate campus officials, including the police department of other University of Texas System institutions, the Dallas Police Department, the Duncanville Police Department, and the Irving Police Department. The statistics are also compiled from reports provided by the students and employees of the University. The statistics for each year are based on crimes occurring on or near the University's campus during the calendar year from January 1 through December 31 in the year indicated. The statistics for the previous year are not available until February of the year indicated.

The statistics for the current year are based on crimes occurring from January 1 through December 31 in the year indicated.

The Department of Education categorizes crimes using the Uniform Crime Reporting (UCR) System, and the University presents the crime statistics in the format required by the Federal Clery Act. The UCR System categorizes crimes into two groups: Property and Violent Crimes. The UCR System also includes a category for Motor Vehicle Theft.

The University of Texas at Arlington does not include on-campus crimes in its crime statistics. The University of Texas at Arlington does not include non-reportable crimes in its crime statistics.
The University of Texas at Arlington is committed to an academic environment free from discrimination on the basis of sexual orientation. The University prohibits discrimination under, any program or activity which it sponsors or administers that is prohibited under Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, or Section 402 of the Civil Rights Act of 1964.
