Exempt employees are not required to report time worked. This group only reports absences and exceptions. Reporting Leave Using Time Reporting Codes

Time Reporting Codes (TRC) represent an earning type in UT Share. These codes are used to categorize time and labor transactions.

For exempt employees the TRCs allow a timekeeper to report other leave time on the timesheet.

TRCs Used by Departments

**AGHOL – Agency Holiday.** Should the President or representative call a special holiday just for the university. Do not use unless directed by Payroll.

**CBCMP – Call Back Comp** - If an employee is ‘on call’ and given comp time for compensation.

**EMCL – Weather Closure** - will be used for bad weather closure ONLY.

**EMFIT – Fitness**, per the university policy that an employee can take up to 1.5 hrs./week to work out.

**EMOTH – Emergency leave – Other.** Do not use unless directed by Payroll.

**FACL – Facility Closure** – this would be used if a specific building on campus had some sort of damage or needed to shut down electricity to do work and everyone had to leave the building and go home.
STCTS - State Comp Taken Salaried - used when an employee elects to use straight time hours in place of vacation or sick leave.
