Depart Milan- Aeroporto della Malpensa [MXP], Thursday, June 6, 2018.

On Campus Instruction: June 18 through June 28
An additional two-week of instruction will take place following the trip as required by the Coordinating Board for contact hours. This will allow for student to extend their travel an additional week if they choose to see other European cities. To meet contact hours, the students will meet for a minimum of two weeks, in the Summer I semester, to prepare an exhibition of their sketches, photographs, drawings, review date for the exam and the final exams for the two courses.

*Currently we do not have confirmation of the number of students participating but expect to have these by Monday, March 2 when the first payments are deposited. Please do not make any flight plans until I notify everyone we do have the necessary students.

The cost of $2900.00 includes the following:

- Hotel expenses and rates
- Admission fees to museums, villas and archeological sites.
- Travel in Italy by bus, train, metro and public transit

Tentative Payment Plan: A three-part payment is required to send funds in advance to the hotels and bus companies. To reserve the rooms and insure their availability, we must have each payment in full by the deadline. The payment will be broken down in the following manner:
All program deposits will be a minimum of 1/3 of the program fee. The revised deposit schedule for the non-refundable program fee ($75.00) is:

<table>

</tr>
</tbody>
</table>

Total Program Cost $2900.00
Estimated Cost Total $2900.00

In the event that you will not be able to attend, refunds will only be provided upon completion of the trip and closing of the Rome Account in the month of August. If sufficient time is allowed where the student is unable to attend the program, all efforts will be made to refund the funds prior to the trip’s departure. As funds are distributed to the hotels for accommodation and bus reservations, the availability of the refund is limited until reimbursements can be made back to the department and processed to the student. A reduction of expenses due to loss of exchange rates and other penalties made be incurred which will result in limited refund amounts.

The School will also return any amount of unused funds which were not spent during the program.

Course Offerings 2018-Summer I - Five Week - 4 weeks for two 3 hours in Advanced Theory and History

- ARCH 4305/5305 City of Rome
- ARCH 4306/5306 Urban Design Theory

Please note! Tuition for the two courses is a separate expense. See Faculty Budget form

Other expenses to include:

Airfare- Each student will make their own air travel arrangements
Meals- Breakfast is provided at all the hotels.

Passports and Visas- All International students must make arrangements for their visa for Italy and Switzerland $135.00 for US Passport Application. According to international travel regulations, all travelers must have a passport that is valid for at least six months beyond the end date of their travel. If any student does not have a passport, or whose passport is about to expire, they should apply ASAP. Passport applications can be obtained at most post offices, or downloaded from the US Department of State website. US Department of State

Visas

Students traveling on a US passport should not need a visa to travel to Italy for the program. However, if there are any students who are not traveling on a US passport, they may need a visa, depending on their country of citizenship. If there are questions about whether or not a student will need a visa, or about how to apply for a visa, they should contact our office as soon as possible. International students should also consult an International Student Advisor about their travel plans as it may impact their status here. And because this can be confusing, please be aware that permanent residents in the US (formerly known as green card holders) do not have US passports. They have passports from their country of citizenship, and thus may require a visa to enter certain countries.
Pre-Departure Orientation Meeting
As you know, all programs must have at least one orientation meeting with UTA Study Abroad staff. In the past, we have combined more than one program together for the orientation, but our office has decided to have individual program meetings moving forward. So we will have a meeting just for the Italy group to go over health and safety items, including insurance requirements, as well as other program or location-specific information. March (after Spring Break) and April tend to be good months for the orientation, so let us know some possible dates that work for your group and one of us will arrange to be there. We anticipate many faculty-led programs for this summer, so please try to give us as much notice as possible about the orientation date.

And now, here are some reminders and scholarship information you may want to share with your students about passports, visas, financial aid and scholarships.

Student Insurance: $19/week for four weeks estimated at $76.00
All students are required to enroll in the UT System’s mandatory study abroad insurance plan, which is underwritten by ACE Insurance and coordinated with International SOS. We will go over this in more detail at the required orientation meeting, but students will be automatically enrolled in the insurance plan when they register their travel dates with International SOS. The cost of the insurance is $19/week totaling $76. This fee will also be posted to the students’ accounts and paid in MyMav. The due date will be the regular payment deadline for Summer tuition.

International Student Identity Card: $25.00 (optional)

International Study Abroad Student Application Fee: $75.00
As a reminder, after the Directors have accepted students to your program, the students will need to complete some online application materials with our office. When you have your group, The Directors send us the list of accepted students along with their ID number and email address, and The International Education Office will then contact the students via email (with a copy to the Directors) about completing the required information online. This is also when the application fee will be posted to their student account, which is paid in MyMav as they would any other charge to their account; the payment deadline for the application fee is May 1 to allow students plenty of time to make payment without incurring possible late fees.

Note - as soon as we have both the list of accepted students and the program budget, we will be able to send the budgets to the Financial Aid Office. This will assist the Financial Aid Office when advising students about possible summer aid.

Scholarships
Students on the Italy program this summer should consider applying for the following scholarships:
  • Gilman Scholarship (Pell Grant recipients)

10-26-2017
Gilman Workshop TBD
Gilman application deadline is TBD

**International Education Fee Scholarship**

- IEFS Workshop
- IEFS application deadline is TBD

Students are encouraged to attend the Gilman and IEFS workshops to get tips for preparing competitive applications, and our office is available to review scholarship essays, answer questions about scholarship applications, etc. Additional information about study abroad scholarships is available on our website here: [http://studyabroad.uta.edu/index.cfm?FuseAction=Abroad.ViewLink&Parent_ID=B8486A8A-BCDE-E7F3-5265C117D24F638D&Link_ID=664C4615-BCDE-E7F3-511D225FDB6AC62C](http://studyabroad.uta.edu/index.cfm?FuseAction=Abroad.ViewLink&Parent_ID=B8486A8A-BCDE-E7F3-5265C117D24F638D&Link_ID=664C4615-BCDE-E7F3-511D225FDB6AC62C).
