What is Service Learning?

Students do community service with a non-profit agency, conducted within an academic course for credit. The student and partner benefit from the experience through intentional service and reflection.

Why Take Service Learning Courses?

* Develop marketable skills
* Collaborate on real-world solutions
* Receive class credit while serving the community
* Build connections for potential jobs and internships
* Develop critical and reflective thinking skills
* Create path for research and scholarship opportunities
* Think outside yourself to see others’ perspectives
* Find your life’s passion
* MAKE A DIFFERENCE!

How Do I Find a Service Learning Course?

In your MyMav Account...

1. Search for a class
2. Expand “additional search criteria”
3. Choose the course attribute “service learning designation”
