The Anderson Sport Performance Lecture

Overview:

The curriculum of the Department of Kinesiology includes the study and practice of sport. It is clearly understood that sport is a significant element of our culture and that it is conducted in a variety of settings and for a variety of purposes. Therefore, this lecture is established to provide all interested individuals an opportunity to broaden their understanding of this culture phenomenon.

Purposes:

1. This activity is designed to supplement the department’s educational mission through presentations and interactions with significant professionals from various areas of the sport culture.

2. This activity is designed to recognize significant professionals from the area who are making contributions to our sport culture and can provide different perspectives relative to sport performance.

3. This activity is designed to develop more interaction with sport enterprise outside the department and the university.

Previous Anderson Sport Performance Lectures:

1st Fall 1996 Mr. Mark Holtz, B.A., Texas Rangers Major League Baseball Club Television Play by Play Announcer, Arlington, TX, “The Media Perspective in Sport”

2nd Spring 1997 Dr. David Cook, President of Mental Advantage, Inc., Fort Worth, TX, “The Mindset of a Champion”

**DR. EUGENE W. ANDERSON (1932-1997)**

Dr. Eugene W. Anderson was Professor and Chair of the Department of Exercise, Sport and Health Studies at The University of Texas at Arlington from 1978-1994. At the time of his death, Dr. Anderson was in the cherished position of a modified service-retired Professor (50% employment) in his 19th year in our Exercise, Sport and Health Studies department. His professional career of over 40 years included service as an assistant vice-president for academic affairs, university department chair, college coach, high school instructor and high school coach.

Eugene W. Anderson received his Bachelor of Science in Physical Education in 1954 and the Master of Science in 1959 from Fort Hays State University in Kansas. He received the Doctorate in Education in Physical Education from Arizona State University in Tempe, Arizona in 1970.
Eugene W. Anderson received his Bachelor of Science in Physical Education in 1954 and the Master of Science in 1959 from Fort Hays State University in Kansas. He received the Doctorate in Education in Physical Education from Arizona State University in Tempe, Arizona in 1970.

Dr. Anderson's Sport Performance career began with the Kinsley, Kansas Coyotes where he participated in four years each of football, basketball and track. He continued in the athletic world at Fort Hays State University by participating in football (one year), basketball and track where he finished fourth in the high jump at the NAIA National Meet. After serving two years in the United States Army in Fort Bliss, Texas, Dr. Anderson taught history, health, drivers' education, boys and girls physical education and coached the Wildcats in Hanover, Kansas.

He then was a high school instructor of history and coached football, basketball and track for two years in Hay, Kansas. Upon the completion of his Masters’ Degree, he was employed at Olivet College in Olivet, Michigan from 1960-64 as an assistant professor of physical education and assistant football coach, head basketball coach and golf coach.

He then became an assistant professor of physical education and basketball coach at Chico State College in Chico, California (1964-68). In 1968, Dr. Anderson became Chair of the Physical Education Program and subsequently in 1972, Professor and Chair of the Division of Health, Physical Education and Athletics at Southwest State University in Marshall, Minnesota. In 1977-78, he was the Assistant Vice President for Academic Affairs at the same institution. He then became an assistant professor of physical education and basketball coach at Chico State College in Chico, California (1964-68). In 1968, Dr. Anderson became Chair of the Physical Education Program and subsequently in 1972, Professor and Chair of the Division of Health, Physical Education and Athletics at Southwest State University in Marshall, Minnesota. In 1977-78, he was the Assistant Vice President for Academic Affairs at the same institution.

Dr. Anderson was very prominent in the development of our current Exercise, Sport and Health Studies academic program. During his tenure at UTA, the Health Education and Dance minors were developed.
The Bachelor of Science in Exercise Science degree was started for students in the Allied Health Sciences. The physical education-athletic coaching degrees, along with certification for teaching K-12 were shaped and refined. Dr. Anderson's expertise and appreciation for science in sport and performance created the popular Biophysical Principles of Human Movement class (now KINE 1400 Introduction to Exercise Science--there are currently two lecture and twelve laboratory sections per semester). His understanding of the acquisition of motor skills dramatically influenced the pedagogy curriculum. His experiences in sport and coaching directly impacted the departmental performance curriculum.

Perhaps Dr. Anderson's most intense interest, in addition to curriculum, was in how the curriculum affected facility development. In the 1981-85 academic years, he gave numerous hours to the planning of an educational facility for our Department of Kinesiology academic unit. The facilities' blueprint included numerous laboratories, classrooms, learning centers, student, faculty and activity areas that would have provided an educational setting that would be comparable to the academic program he helped create. The facilities' plans continue to be a model for our departmental future.

C. Paul Rogers III
Professor of Law & Former Dean

Paul Rogers is Professor of Law at the Dedman School of Law of SMU where he has taught since 1980. He was Dean of the Law School from 1988-1997 and was for four years prior its Associate Dean for Academic Affairs.

Dean Rogers has for served for 26 years as SMU’s faculty athletic representative and currently serves on the National Football Foundation’s Awards Committee as well as the SMU Sports Hall of Fame Selection Committee. He previously served on the Division 1A Faculty Athletic Representatives Board of Directors, on the NCAA’s Academic Eligibility and Compliance Cabinet, and was the original chair of SMU’s Athletics Council. He was President of the Southwest Conference from 1991-93 and formerly was a member of the Cotton Bowl Board of Directors. In 2006 he was named an honorary SMU Letterman.
An avid baseball historian, Rogers has co-authored four books and numerous articles on baseball history, including The Whiz Kids and the 1950 Pennant with his boyhood hero Robin Roberts, and, most recently, Lucky Me - My Sixty Five Years in Baseball with Texas baseball legend Eddie Robinson.

Among his active community involvement, Rogers has served as Chair of the Dallas 2012 Ethics Oversight Committee and is past President of the Board of Directors of the Dispute Mediation Center. He serves on the Board of Directors of the Bobby Bragan Youth Foundation, is President of Town and Gown, as well as the Hall-Ruggles Chapter (Dallas-Fort Worth) of the Society for American Baseball Research, and was Managing Partner of the Highland Park Blue Sox in the Texas Collegiate Baseball League from 2004-06.

At SMU, Rogers has taught courses on Antitrust, Contracts, Sales of Goods, and Business Torts. He previously was on the faculty at the Loyola University School of Law in Chicago. Dean Rogers is a co-author of Antitrust Law: Policy and Practice, an antitrust casebook now in its fourth edition, has written a variety of law review articles on antitrust, commercial law, contracts, legal history, sports law, and regulated industries, and has served as an antitrust consultant to numerous corporations and businesses. He is of counsel to Locke Lord in Dallas and is a member of the American Law Institute and a Fellow of the American, Texas, and Dallas Bar Foundations. Born in 1948, he has a B.A., 1970, and J.D., 1973, from the University of Texas at Austin and an LL.M. from Columbia, 1977, where he was a Krulewitch Fellow. He is a member of the State Bar of Texas and the Pennsylvania Bar Association.

Please welcome Dr. C. Paul Rogers III as our 35th Anderson Sport Performance Lecturer. There will be a time of question and answers at the end the presentation.
