Gov. Perry Appoints Three to Texas Board of Professional Engineers

Gov. Rick Perry has appointed three members to the Texas Board of Professional Engineers for terms to expire Sept. 26, 2015. The board licenses qualified engineers, enforces the Texas Engineering Practice Act and regulates the practice of professional engineering in Texas.

Lamberto “Bobby” Balli of Houston is an associate vice president and director of municipal services for HNTB Corp. He is past director of public works/city engineer for the cities of McAllen, South Padre Island and Brownsville, president-elect of the Texas Chapter of American Public Works Association and a member of the American Society of Civil Engineers. He is also a past senior advisor of the Society of Hispanic Professional Engineers of San Antonio, a past board member of Leadership Brownsville, Leadership McAllen and the Brownsville Boys and Girls Club, and a past board member and past disaster chair of the Rio Grande...
Carry A. Baker of Amarillo is an attorney in private practice. She is a member of the State Bar of Texas, Amarillo Bar Association, Panhandle Collaborative Law Professionals, Women’s Philanthropy Fund and the Laura W. Bush Institute for Women’s Health. She is also vice president of the Panhandle Family Law Association, a panel member and past chair of the State Bar of Texas District 13 Grievance Committee, and a member and past president of the Women’s Forum of Amarillo. Baker received two bachelor’s degrees from Southern Methodist University and a law degree from the University of Oklahoma School of Law. She will serve as a public member on the board.

James “Jim” Greer of Keller is senior vice president of Oncor Electric Delivery. He is a registered professional engineer in the State of Texas, and a member and past president of the Fort Worth Chapter of the Texas Society of Professional Engineers. He is also a member of the Institute of Electrical and Electronic Engineers. Greer received a bachelor’s degree from the University of Texas at Arlington and a Master of Business Administration from the Texas Christian University M.J. Neeley School of Business. He is being reappointed.
