According to the National Student Loan Data System (NSLDS), you have received financial aid at multiple institutions over the last four award years. As a result, your FAFSA was flagged by the U.S. Department of Education for review. Before we can process your FAFSA, we must review the academic transcripts (may be unofficial) from all of the higher education institutions you attended between August 2014 and May 2018.

Please list below all of the higher education institutions you attended between August 2014 and May 2018. Indicate by each if you have submitted your transcript from the institution to the UTA Admissions Office or if you will be attaching the transcript to this form.
