IV. PROJECT COURSE REQUIREMENTS
Students are generally able to enroll in an independent study course to complete their senior project; although, it is not
required. Enrollment must be initiated and approved by the student’s mentor and major academic advisor. If enrolled, the
course qualifies as Honors credit and will count toward the 24 hours of Honors credits needed to graduate. To receive
credit, students must complete an Honors Designation form. If you plan to enroll in a class to complete your Senior
Project, list the course number and the semester you will complete the course.
