Food for Thought
Hey, big thinker.
You’re going to need fuel for all that studying you’ll be doing and all that fun you’ll be having. Eat at the nationwide restaurants you know and love, pop into Starbucks for a latte, or try something new at the Connection Café. It’s all right here on campus!

Residence hall students choose from one of four traditional meal plans, while apartment residents may choose from traditional or on-the-go meal plans. Find more information at uta.edu/dining.

Live Healthy
A healthy Maverick is a successful Maverick. Work out at the Maverick Activities Center, join an intramural team, or go for a swim. Thwart illness at the campus Health Center. Keep your mind sharp through our counseling services: uta.edu/mac • uta.edu/healthservices • uta.edu/caps

Join Tradition
Living on campus means that all the activities that define life as a Maverick are just steps away. Play a game of Oozball, join the Bed Races, or feast on waffles at Waffleopolis. Find out more about the events that make us who we are: uta.edu/traditions

Hang Out
Open your door for limitless combinations of places to go and people to see. Our diverse community hangs out at the University Center, gathers at the Library Mall, catches games at College Park Center, relaxes on The Green... we could go on!

University Dining

The Commons
Dining Features
The all-you-care-to-eat Maverick Café, located inside The Commons, includes indoor and outdoor seating areas. Additional retail dining options are Starbucks, 2mato (Italian Bistro), and Zatar (Eastern Mediterranean Cuisine). Group meeting rooms and study and lounge areas are also available.
Our goal is to support all of our residents to be successful in and out of the classroom. Therefore, we take every opportunity to provide support throughout your entire university experience. That means 24-hour assistance for our residents and convenient access to health and safety resources right here on campus.

SUPPORTING YOU

Resident assistants (RAs) are upperclass students who serve as resources and role models to all residents. RAs work to create a residential environment that is conducive to academic, personal, and social growth, which promotes student success.

In addition to our student staff, residents are also supported by our live-in professional residence director staff and a 24-hour onsite maintenance team.

EMPLOYMENT AND LEADERSHIP OPPORTUNITIES

Living on campus provides convenient access to leadership and student employment opportunities. With hundreds of clubs and organizations dedicated to academic, professional, cultural, recreational, social, and special interests, it is easy to find friends who share your passions. For more information, visit uta.edu/studentorganizations.

As an on-campus resident you also have unique opportunities to engage as a leader in your community. Residents are encouraged to play an active role in their community/hall council, serve on the Residence Hall Advisory Board, work as an office assistant, or seek the most rewarding leadership position on campus as a resident assistant! For more information, visit uta.edu/housing/living/get-involved.

SAFETY FIRST

The UTA Police Department (UTAPD) monitors and protects the campus with a combination of police officers and public safety officers. UTAPD police officers are licensed peace officers and have the same authority as other municipal, county, and state police officers. The department also assists in providing security escorts. More information at uta.edu/police.

FAMILY MATTERS

The Parent & Family Center is available to help students’ relatives learn more about campus resources. The office serves as a first point of contact and refers parents and family to the appropriate office when needed. Find more information at uta.edu/parents. If you prefer, the parent helpline is also available at 817-272-2128.

HEALTH MATTERS

UTA Health Services provides medical, mental health, and pharmacy services for the campus community. Health insurance is not required for students to receive treatment, and a portion of each student’s tuition covers unlimited visits to general medical clinic providers, blood pressure checks, and nursing care. Learn more at uta.edu/healthservices.

THE WHOLE EXPERIENCE

Your academic excellence and professional development are our top priority. We provide academic advising, organized study groups, faculty events, leadership development, and so much more.

GOOD TO KNOW

HOW TO PAY
Residence halls are leased by bed space, so each resident in a room or suite will have his or her own contract. Apartments have one leaseholder per unit, with the exception of Centennial Court, The Lofts, The Heights on Pecan, and Timber Brook. At those communities, apartments are leased per bed or per bedroom. Rent and installment payments will post to your MyMav account. Need help paying for college? The Office of Financial Aid and Scholarships is equipped to provide you with useful information about financial aid programs and the process to apply for and receive funding.

HOUSE RULES
Complete residence hall and apartment guidelines, policies, and procedures can be accessed at uta.edu/housing.

BREATHE EASY
To provide students, faculty, staff, and visitors with a healthy, welcoming learning environment, the University prohibits the use of all tobacco products—including cigarettes, cigars, pipes, and smokeless tobacco—on campus property at all times.

ACCESS FOR ALL
The Office for Students with Disabilities helps students with disabilities participate in the full spectrum of college life. Call 817-272-3364 (voice) or 800-RELAY TX (TTY) for more information, or visit uta.edu/disability.
ACCOMMODATIONS

MEAL PLAN
A meal plan provides a cost-effective, convenient way for students to enjoy campus dining. Each meal plan comes with Meal Swipes and Dining Dollars, which are loaded onto a Mav ID Card. There is no need to carry extra cash or cards because all of your transactions are made with a swipe of your Mav ID.

MEAL SWIPES
A meal swipe is an easy way to get a meal. You are allowed one meal swipe for each meal period: breakfast, lunch, and dinner. Meal swipes always work at Connection Café and Maverick Café. Meal swipes also work as a Meal Exchange at Chick-fil-A, Panda Express, Freshii, Subway, Moe’s, Einstein Bros Bagels, and Burger 817.

DINING DOLLARS
Dining Dollars work just like cash. They can be used at any campus dining location, any time. If you need a quick snack or beverage from The Market, lunch at The Plaza, or a bagel and coffee from Einstein Bros Bagels, dining dollars are the go-to option.

COLLEGE PARK DOLLARS
College Park Dollars are very similar to Dining Dollars. This is a dollar value that can be used at all College Park dining location located at College Park District, which includes: Burger IM, Panera, and Bombay Chopsticks.

MEAL EXCHANGE
Meal exchanges allow a meal plan holder to "exchange" or substitute a meal swipe for a pre-determined meal at The Plaza, Freshii, or Einstein Bros Bagels. Meal exchanges are for your convenience and offer a variety to your plan. They are offered during select hours once per day.

ROLLOVER POLICY
Meal Plan Rollover Policies vary from meal plan to meal plan. All traditional meal plans: Platinum, Gold, Silver and Bronze allow unused Dining Dollars to rollover from Fall to Spring semesters. Unused meals do not rollover from semester to semester. On-The-Go and Faculty/Staff meal plans do not support a rollover policy. Meal Swipes and Dining Dollars expire at the end of each semester.

* Unused Dining Dollars rollover from Fall to Spring semester if you remain enrolled in a meal plan.
* Unused Meal Swipes will NOT rollover from semester to semester.

Visit uta.edu/housing to apply for free. For information about dining on campus, visit uta.edu/dining.
