At the end of each semester, graduating students at The University of Texas at Arlington are asked to complete the Exit Survey for Undergraduates. The purpose of this survey is to gather information regarding the student experience during their time at UTA. For the fall 2018 and spring 2019 terms, a total of 5,886 out of 7,607 graduates completed this survey, generating an overall response rate of 77.3%. This report contains data tables for questions asked of all respondents (questions pertaining to specific Colleges and open-ended questions were asked as well, but were excluded from this summary analysis). Further information about the survey data may be requested by contacting Dr. Andrew Pagel at andrew.pagel@uta.edu.
