

International Studies Themes

Critical Languages and International Studies majors explore the diverse areas, issues, and global themes that comprise International Studies. Students choose four international studies courses from the International Studies Themes list.

There are three (3) themes:

1. International Issues (Business, Ethics, and Sustainability)
2. Humanities (Culture, History, and Literature)
3. Socio-Cultural Perspectives (Social, Political, and Cultural Studies)

See your advisor for further information.
