Printing Grade Rosters

Printing Grade Rosters using Fire Fox.

1) Login to MyMav using your Net ID and password.

2) Click on the Faculty Center.
3) Click on **Grade Roster**. Note: If you need to change the course, you can click on the **Change Class** button.
4) The roster will appear. Scroll all the way to the bottom and click on **Printer Friendly Version**.

5) In the top right corner, click on the **icon**.
6) Click **Print**.

7) Find the desired printer and click **Print**.
