Learning Contract for BSW Students

Instructions:

- Proposed Learning Strategies is to be completed by student in consultation with field instructor.
- Student: Check the boxes that reflect the Proposed Learning Strategies for each practice behavior. Typically, each practice behavior will have more than one box checked to represent a process of learning.
- Please use the Proposed Learning Strategies Scale:
1 = Read and discuss with field instructor during weekly supervision.
2 = Shadow social workers during client/system interactions (1st few weeks of semester).
3 = Process questions and observations with field instructor during weekly supervision session.
4 = Share responsibility for parts of an interaction/project (when ready).
5 = Assume full leadership for some/all of interaction/project (when ready).

Competency #1: Identify as a professional social worker and conduct oneself accordingly.
