For Students originally in at least one Face to Face Course

May commencement ceremonies have been postponed. Spring grads will be invited to walk at the Fall 2020 ceremony.

For All Students

For Students interested in mental health and well-being, TAO Tip #4: Try the TAO App.

You’ll have access to some of the most effective evidence-based treatments/pathways, mindfulness library, and logs. Additionally, “The TAO mobile application also provides an accountability feature that will help you stay on your path and promote compliance.”

Follow link to TAO users [and the] TA0 Tip #4: Try the TAO App.

The Body Keeps the Score: Brain, Mind, and Body in the Making of Trauma, 2007

What does GPA stand for in a COVID-19 world?

For Students completing summer field who either cannot get a physical placement OR who do not want to go to a field site

The field office is working on placing as many students as possible in face-to-face field placements for summer.

1. How will students complete field in the summer?

UTA will allow students to reduce hours by 15% for Spring semester and Summer semester; totaling 408 to 480 hours for the entire academic year.

Split students:

Block students:

• Most professors will have the option of creating live, virtual sessions during the class times posted synchronously. Professors may also follow an asynchronous model where students are not required to log in during that time. Questions? Ask your professor what their plan is.

• No decisions have been made about class the format for Fall 2020 as of yet.

• Students who need an accommodation letter should reach out to the ADA Office.

• Most faculty and staff will be working remotely until further notice but should be available.

• If you believe you have contracted COVID-19, please contact the Texas Health and Human Services Emergency Assistance Fund at 211/211 before arrival to find a testing location closest to you.

• If you are self-isolating, please see:

• If you are in quarantine, please see:

• If you believe you might have been exposed to COVID-19 while on campus, please see:

• If you believe you have been exposed to COVID-19 elsewhere, please see:

• If you believe you have no COVID-19 symptoms but believe you might have been exposed to COVID-19 while on campus, please see:

However, until your test results are available, please follow this link to COVID-19 negative symptoms.
