Did you know?

Our study abroad students are having a great time learning about social work and health care in Belize!

If you have not done so yet, be sure to go to Canvas and register yourself with the SSW Student Success and Advising Office. Also, add announcements to this page as well, so please check out the page on a regular basis.

It’s that time of year! Be sure to come out to the SSW website (https://www.southtexas.campus.utexas.edu/) to update your Student Affairs Profile. The Office of Student Affairs will go through your profile and update your advisor and concentration. Our Career Services Advisory Board will help us identify and promote job opportunities that may align with your interests. So, please check out the SSW web page. Check it often for new opportunities!
