SUCCESS BEGINS HERE
I’m thrilled to welcome you to The University of Texas at Arlington as you begin an exciting journey. While 2016-17 marks the start of your time as a Maverick, it also signifies the occasion of your most important venture yet: the pursuit of a successful future through higher education.

The University of Texas at Arlington is an R-1 research university and one of the nation’s most dynamic centers of learning. The University features many nationally-ranked academic programs, an enriching student experience, and a real-world focus that prepares students to become successful members of an increasingly global society. Through life-enhancing research, innovative teaching, entrepreneurship, and caring community engagement, UTA Mavericks leave an indelible mark on the world every day.

I encourage you to look closely at the many resources the University offers and determine how you can best seize the opportunities provided. Whether you want to be a leader, a behind-the-scenes star, or a complete game changer, UTA will equip you with the education and skills you need to fulfill your dreams. Your journey will be challenging, yet rewarding. It will be the kind of life-changing experience that shapes who you are and who you will become.

Your time at UTA will be filled with meaningful and memorable moments, and our faculty and staff, and our students look forward to helping you achieve your goals. When we all focus on a common vision of excellence, there is no limit to what we can accomplish.

I look forward to meeting you in person on our campus. Until then, “Mav Up!”

Sincerely,

Vistasp M. Karbhari
President
Welcome to Maverick Country! The Division of Student Affairs is delighted that you have chosen UTA to pursue your education. We’re confident you will find our campus to be a stimulating, challenging, and encouraging environment. Within the Division of Student Affairs, you’ll uncover a wide variety of dynamic co-curricular opportunities and services. We encourage you to become involved, as the added participation will help you not only achieve, but also surpass your academic, professional, and personal goals.

We’re here to help you transition to your new home and maximize your experience as you embark on your educational career. Bring your student experience to life by joining a club or organization—there are more than 300. Celebrate Maverick traditions with some of our time-honored events, such as Welcome Week and MavsMeet Convocation, Oozeball, Bed Races, Heritage Months, Block Party, The Big Event, Homecoming, and Parent & Family Weekend. Join us at the many events, activities, concerts, and performances that go on throughout the academic year. Stay healthy and relieve stress with the fitness and wellness activities at the MAC. Take advantage of student-centered support, including career development, tutoring, health services, financial services, and more. We invite you to try out anything that sparks your interest.

This resource guide contains a wealth of information about campus programs and services that will help you make a smooth transition to our campus. We encourage you to use it to learn about UTA, the campus, classroom experience, student services, athletics, and more.

At UTA, we want you to experience student life without limits. That is why the faculty, staff, and I look forward to getting to know you. We’re here to help you find your way, grow, create everlasting memories, and develop lifelong success with an unparalleled college experience.

Best wishes for a great semester,

Dr. Timothy Quinnan
Vice President for Student Affairs
THERE’S LEARNING THAT GOES ON BEYOND THE FORMAL CLASSROOM. At UTA, we understand the importance of offering activities that engage you, inform you, move you, connect you, and inspire you. That’s why, on any given day at the University, you’ll find fellow students competing in campus recycling contests, riding bikes for the American Heart Association, leading workshops on diversity or leadership, attending one of the many heritage festivals, participating in a variety of student activities, or just working out at the MAC. The Division of Student Affairs strives to offer UTA students abundant opportunities to develop their intellects, learn leadership skills, and give back to the community. Because education isn’t constrained by classroom walls.

LEARNING BEYOND THE CLASSROOM
There are ways to learn outside the classroom. Whether you’re attending a game, competing in Oozeball, studying abroad, serving the community through academic coursework, or volunteering at The Big Event, you’ll never be bored.

CONNECTING TO CAMPUS RESOURCES
Take advantage of valuable resources on campus like disability services, the Parent & Family Center, the Career Development Center, Off-Campus Mavericks, myriad physical and mental health services, and so much more.

DEVELOPING HEALTHY LIFESTYLES
To keep you in good health, we provide a variety of ways for you to get active. Whatever you choose on your path to wellness—working out at the MAC, playing on a sport club, joining a group exercise class—we’ll keep you moving.

FOSTERING FUTURE LEADERS
We’ll help you reach your potential by developing your leadership skills. At UTA, you can run for Student Congress, join The Leadership Center, or get involved in Freshmen Leaders on Campus.

PROMOTING LASTING RELATIONSHIPS
Connect with your fellow classmates and find your future best friends through apartment and residence hall activities, the thriving fraternity and sorority life community, and hundreds of student organizations.

WELCOME TO MAVERICK COUNTRY

UTA is a college steeped in tradition, as you might expect for a university with more than a century of history. These traditions provide a sense of community and unite Mavericks past and present in the celebration of our undeniable school spirit.
ALMA MATER
Dear School we love, You are our Alma Mater, And through the years, Our faith we shall proclaim. We are each one, A loyal son or daughter, Our song of praise, Shall glorify your name. Dear School we love, Forever Arlington. Forever Arlington.

TRADITIONS
ACTIVITIES FAIR DAY: Held the first Wednesday of the semester, this event allows student organizations a chance to gather and educate students about opportunities for involvement.
BED RACES: A tradition since 1980, Bed Races features five-person teams zooming along the Maverick Stadium turf toward the finish line.
THE BIG EVENT: A day of giving where students, faculty, staff, and community members volunteer time to assist in local community projects.
BLOCK PARTY: This gigantic block party offers students a chance to unwind with free food, activities, and music before preparing for finals.
HOMECOMING: Celebrated each November during basketball season, Homecoming features street parties before and after the big game, a parade, Bed Races, free food, activities, and music before preparing for finals.
THE UTA PLANETARIUM
This one-of-a-kind teaching, learning, and entertainment facility is located on the west side of campus and features fitness, recreational, and educational space for the University community.

LIBRARY MALL
The area outside the University Center, called the UC mall, is a smaller version of the Library mall. It’s a popular area for enjoying a quick lunch outside, meeting with friends, or studying between classes.

MAVERICK STAMPEDE: The official kickoff to a new academic year, Welcome Week is packed with events that offer students a chance to have fun, make new friends, and get acclimated to life on campus.

OVZEBALL: Students get down and dirty in the Maverick-style mud volleyball tournament, voted UTA’s favorite tradition.

MAVERICK HAND SIGN
You can show your Maverick pride with the Maverick hand sign! You form it by folding your three middle fingers into your palm and extending your pinky and thumb. The “M” made by your three fingers stands for the “M” in Mavericks!

MASCOT
Blaze is a horse with an attitude who uses high energy and enthusiasm to promote school spirit at athletic and campus events. He’s represented in logos as a gleaming white horse trimmed in orange with a blue mane.

No matter where you are in your college career, you’re embarking on something new here at UTA. We’ve got all the resources you’ll need to make the transition as smooth as possible.
The Start Strong Freshman Tutoring Program provides first-year students with up to six hours of free tutoring in selected courses offered during the fall and spring semesters. Courses include biology, chemistry, engineering, math, physics, and more. Additional tutoring beyond the six free hours, or in courses not on the Start Strong list, is available for $15/hour. 300 W. 1st Street, Room 180 • 817-272-2293 • uta.edu/startsstrong

Mentoring new Mavericks.
UTA-HOSTS! (Helping Other Students To Succeed) is a peer mentor program to help new students achieve success their first year on campus. The program helps first year students with involved and academically successful upper-level mentors. These mentors will help students new to UTA gain insight into campus opportunities and resources including important dates and deadlines, academic services, and co-curricular activities. Students can also join the UTA-HOSTS! Programs and Recruitment team to get more involved with the program and help plan monthly events which help mentors and mentees stay connected. Participation in the program is voluntary and open to the student body. 300 W. 1st Street, Room 180 • 817-272-2293 • uta.edu/hosts

Finish and finish strong.
FINISH FOR TRANSFER STUDENTS
As a transfer student, your needs will be different than other students. You’re focused on completing your degree and making the most of your new educational home. FINISH is a programming series specially designed with transfer students in mind, based on feedback from current transfer students. These programs will focus on helping transfer students adjust to UTA, reviewing academic and graduation requirements, major exploration, career development and resumes, internships, resources, and more. uta.edu/successseries

Connect for success.
MAVERICK TRANSITION AND SUCCESS CENTER
The Maverick Transition and Success Center supports transfer and transitioning students as they identify, pursue, and achieve their educational goals. It encourages these students to establish meaningful connections within the community through intentional and innovative interactions. The Maverick Transfer Connection is an online module through Blackboard that allows current transfer students to chat with each other, find various ways to get involved on campus, and learn about all of the resources available. transferconnectionuta.edu

TAU SIGMA TRANSFER HONOR SOCIETY
A national honor society created exclusively for transfer students, Tau Sigma recognizes the achievements of the most outstanding transfers nationwide. Epsilon Rho is UT Arlington’s chapter. Membership is by invitation only. 817-339-3213 • tauSIGmatoria@gmail.com

A day just for you.
TRANSFER APPRECIATION DAYS
Hosted by departments across campus and held every fall and spring, Transfer Appreciation Days include events that range from academic information sessions to picnic lunches and movie nights. Current transfer students and their families are invited to attend. uta.edu/admissions/transfer

Supportive chats.
TRANSFER TALKS
The purpose of this program is to give transfer students a platform to discuss current issues they are dealing with as UTA students and expose them to various resources that can support their needs. These panel discussions feature current transfer students giving advice and identifying various resources that supported their success.
All together now.

INTERNATIONAL STUDENT ORGANIZATION
The International Student Organization (ISO) is a diverse group representing the different nationalities at UTA. The group is open to all students of all nationalities from all over the world. Throughout each school year, the ISO sponsors many cultural events for the campus, including one of UTA's longest standing traditions, International Week.

INTERNATIONAL STUDENT AND SCHOLAR SERVICES
International Student and Scholar Services (ISSS) provides programs and services to meet the specific needs of our more than 4,000 non-immigrant students, scholars, and faculty at UTA. The International Student Orientation and the International Student & Scholar Handbook provide valuable information on adjusting to college life in the U.S., student life at UTA, and related immigration regulations. ISSS also sponsors events that celebrate UTA's diverse campus, including International Week, Global Grounds: International Coffee Hour, and The Link: International Friendship Program.

Building a home when you're far from home.

THE LINK: INTERNATIONAL FRIENDSHIP PROGRAM
The Link’s purpose is to foster an appreciation for how others live and view the world. This is achieved by matching international students and scholars with families and individuals from the Arlington community. Common activities may include having conversations over coffee or tea, going grocery shopping and preparing dishes from each other’s cultures, celebrating a birthday or holiday, and more. In order to be matched with a Link partner, students must fill out an application and participate in a brief orientation by phone or in person.

UT STUDENT HEALTH INSURANCE PLAN
The University of Texas System Board of Regents has ruled that all international students must have medical insurance compliant with the federal Patient Protection and Affordable Care Act. The UT Student Health Insurance Plan (UT SHIP) meets these requirements. Enrollment in UT SHIP is automatic each semester and the insurance premium is automatically charged to your tuition and fee account when you register for classes. Stopping it before it starts.

**Bacterial Meningitis Vaccination Requirements**

Incoming Texas college students under 22 years old must be immunized against bacterial meningitis before they enroll in an institution of higher education. This is a law mandating that first-time college students, students transferring from another institution, and students who are re-enrolling following a break of at least one fall or spring semester be inoculated against the illness.

UTA has contracted with a third-party service, Magnus Health SMR, to collect student vaccination records, verify the documents, and maintain the records in compliance with federal privacy laws. Incoming students will receive an email with directions on how to create a Magnus account and how to submit proper documentation.

Prospective UTA students who do not submit the proper vaccination documentation by the deadline will be dropped from classes and will not be allowed to re-enroll. Please refer to the official UTA bacterial meningitis website to learn the deadline for your enrollment term.

Making a choice for the future.

**Major Exploration**

Choosing a major can be one of the most challenging and important decisions in a college student's life. That's why we offer a variety of resources, advice, and classes that allow you to explore the options available to you and help you make the right choice. There are many things to take into account when choosing your major, such as your strengths, skills, and interests. But don't worry. You'll have plenty of time to find the right fit for your future.

**Math Placement Test**

Before you enroll in a college-level math class at UTA, you must be Texas Success Initiative-complete or pass the appropriate placement test prior to New Maverick Orientation. The Math Placement Test (MPT) is an unsupervised test that can be taken online at anytime. As it can only be taken once, a reliable Internet connection should be ensured prior to beginning the test. For proper placement into math, students should not prepare or use aids to take the test. Student who have transfer credit for a college-level math course should speak with their advisor to determine if they need to take the MPT.

SETTING YOUR SCHEDULE

What’s your status?

ACADEMIC STANDING
Students must maintain a minimum cumulative grade point average (GPA) to continue enrollment at UTA. The required minimum GPA varies depending on the number of credit hours attempted (including transfer hours).

TOTAL HOURS
GPA FOR PROBATION
GPA FOR DISMISSAL
Include transfer hours.
Cumulative
Cumulative
0-29
less than 2.0
less than 1.6
30-39
less than 2.0
less than 1.8
60 or more
less than 2.0
less than 2.0
Before a student’s first dismissal, the student is placed on academic warning. The first dismissal is for one long semester (fall or spring). Any second or subsequent dismissal is for a period of at least 12 months. If a student is dismissed for 12 months, the student must apply for readmission through the Office of Admissions and might be required to complete the appeal process. After a dismissal, the student, upon returning, must earn a semester GPA of 2.5 or higher each semester and/or come within the GPA listed in the previous table.

utatacademicstanding • uta.edu/catalog

Your grades are in.

CALCULATING YOUR GRADE POINT AVERAGE
1. Total the number of credit hours you have attempted. (If you received an “F” in a class, you still need to include the semester hours in your total attempted hours.)
2. Multiply the number of hours in each class enrolled by the grade “points” received: A = 4 points, B = 3 points, C = 2 points, D = 1 point, F = 0 points.
3. Add the results to get your total number of grade points.
4. Divide the total number of grade points by the total number of hours attempted to get your current grade point average.

EXAMPLE:

<table>
<thead>
<tr>
<th>COURSE</th>
<th>CREDITS</th>
<th>GRADE</th>
<th>GRADE POINTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIOL 1441</td>
<td>4</td>
<td>D (1)</td>
<td>4</td>
</tr>
<tr>
<td>POLS 2311</td>
<td>3</td>
<td>A (4)</td>
<td>12</td>
</tr>
<tr>
<td>MUSI 1301</td>
<td>3</td>
<td>B (3)</td>
<td>9</td>
</tr>
<tr>
<td>EXSA 0120</td>
<td>1</td>
<td>A (4)</td>
<td>4</td>
</tr>
</tbody>
</table>

Grade Points = 29/11 = 2.636 GPA

Grades of “P” (pass), “W” (withdraw), and “Z” do not have grade “points” received: A = 4 points, B = 3 points, C = 2 points, D = 1 point, F = 0 points.

Our numbers speak for themselves.

COURSE NUMBERING SYSTEM
• The alpha abbreviation indicates the department teaching the course (example: ENGL = English). To find a complete list of these prefixes and the respective departments, enter the Schedule of Classes on the MyMax Portal and click Browse for Classes.
• The first number indicates the level of the course: 1 is freshman level, 2 is sophomore level, 3 is junior level, and 4 is senior level. The numbers 5 or 6 indicate graduate-level courses, which are open to graduate students only. This first number serves as a guideline to the year a student should consider taking the course. (Example: ENGL 1301)
• The second number indicates the number of credit hours awarded for the course. Most courses are 3 credit hours. (Example: ENGL 1301)
• The third and fourth numbers indicate the individual course. (Example: ENGL 1301)

Making a break.

DROPPING A CLASS
After the Late Registration period is over, a student may still drop a class, but adding classes is not allowed. These drops must be made in person with your academic advisor. Students who wish to drop a class may do so until the two-thirds point in the semester. Comparable time periods for dropping a class are set for each summer session and for winter and summer intersessions. Students are NOT automatically dropped from classes for non-attendance. It is the student’s responsibility to initiate a drop request. Students entering any Texas state institution in fall 2007 and after are limited to dropping six courses in their undergraduate academic careers. Once students have reached the six-course limit, any grades earned in subsequent courses will be recorded. Specific dates for dropping a class are available in the University Academic Calendar.

utatoday/academic

Too much of a good thing?

EXCESSIVE UNDERGRADUATE HOURS
Students who first enrolled in a college or university in the fall 2006 term or later may be required to pay a penalty that is the equivalent to nonresident tuition rates when their hours attempted at a Texas public college or university exceed 30 hours more than what is required for their bachelor’s degree program. The tally of credit hours includes all classes attempted at any Texas public institution and classes with a grade of “D,” “F,” and “W” as well as grade replacements/exclusions. Hours earned at a private or out-of-state institution and developmental hours do not count toward the limit.
GRADE OF INCOMPLETE

An instructor may award a grade of "I" (incomplete) when students cannot, due to extenuating circumstances, complete the required work during the semester of enrollment. Instructors will consider awarding an "I" grade only after the last day to drop has passed, if the majority of the coursework has been completed, and when circumstances warrant it. An incomplete grade will be considered only for courses in which students have earned a bachelor’s degree and is still enrolled as an undergraduate.

Until transfer coursework has been evaluated, transfer students should not re-enroll in a course for which they have a grade of "I." For the purpose of course completion, students should immediately make arrangements with the instructor to the satisfaction of the instructor, otherwise the "I" will remain on your permanent academic record. An incomplete grade will be considered only for courses in which students have earned a bachelor’s degree and is still enrolled as an undergraduate.

ACADEMIC PROGRAMS AND ORGANIZATIONS

Achieve the highest honors.

ACADEMIC HONORARY SOCIETIES

Three nationally and internationally recognized academic honorary societies have a place on the UTA campus. These include Golden Key, the largest collegiate honor society; Omicron Delta Kappa, the national leadership honor society, and Phi Kappa Phi, the nation’s oldest, largest, and most selective all-discipline honor society extending membership invitations to faculty, staff, and alumni. In addition, most colleges within UTA claim their own nationally and internationally recognized honor societies. More information about student academic honor societies may be found with the Office of Student Activities and Organizations (1202 University Center (lower level) • 817-272-2293 • mavorgs.uta.edu).

More information about Phi Kappa Phi may be found by contacting the Office of the Provost and Vice President for Academic Affairs 321 Davis Hall • 817-272-2103 • uta.edu/pkphp.

Do you have what it takes?

HONORS COLLEGE

The Honors College is devoted to meeting the needs of exceptionally capable and highly motivated undergraduates from all disciplines who aspire to reach the highest levels of academic performance. The college is a supportive, educationally and culturally diverse community of student scholars who complete the same number of credit hours as non-honors students, but who invest additional time and effort in courses designated for honors credit. The senior project is the capstone honors requirement that involves significant original research and writing. It serves as a calling card for what comes after the undergraduate years—whether one embarks immediately upon a career or continues on to graduate or professional school for higher degrees. In short, the Honors College serves students who seek an additional challenge in their undergraduate years and provides a solid foundation for a lifetime of learning.

Goolsby Leadership Academy

The Goolsby Leadership Academy was established in 2003 by an anonymous gift in honor of John ('64 Accounting) and Judy Goolsby in the College of Business. The mission of the academy is to advance the knowledge and practice of exceptional leadership. The academy focuses on a select group of undergraduate business students who complete a two-year cohort program with courses in communication, authentic leadership, ethics, character, and self-awareness. Goolsby Scholars experience a diverse set of business-oriented classes and activities targeted toward developing the skills necessary to become influential business leaders. In addition to faculty, students interact with area executives. Each scholar receives a scholarship of $2,000 for each of the two years he or she participates in the program. MCNAR SCHOLARS

The federally funded McNair Scholar Program offers eligible students opportunities to prepare for graduate study and careers in research and teaching at the university level. Participants are primarily juniors and seniors with a minimum 3.0 UTA GPA; U.S. citizens or permanent residents, first-generation and low-income; or members of under-represented groups (African American, Hispanic, Native American). It’s open to all majors, especially those in science, math and engineering. Program services include a summer research internship (with $3,000 stipend), GRE preparation, and help with the graduate school application process. 202 Ransell Hall • 817-272-3715 • uta.edu/mcnar

ACADEMICS

You gotta have a plan.

ACADEMIC ADVISING
You’ll receive personal attention from our team of University College academic advisors who will help you develop a schedule that will lead to a successful first semester. They’ll create a personalized plan of discovery and transform your interests, goals, and talents into a degree plan that’s right for you. They’re also a great resource for helping you stay on track to graduate and for exploring ways to make the most of your college experience, both in and out of the classroom. Advisors can help students understand basic University rules and regulations, set academic goals, complete core requirements, and transition into a chosen major as soon as possible.

TUITION REBATE FOR GRADUATES
Texas residents enrolling at a Texas public college or university for the first time in fall 1997 or later may be eligible for a tuition rebate up to $1,000 upon completion of a bachelor’s degree. The rebate is only available for the first bachelor’s degree from a Texas public university. To qualify, a student must complete all work at a Texas public college or university paying in-state tuition, have attempted no more than three semester credit hours beyond the degree requirements, and apply for the rebate before the degree is awarded.

FINANCES

The costs of a college education are well worth the benefits. And they don’t have to drain your funds. We’ve got tons of resources to help you pay for college, live your life, and manage your finances.

UNIVERSITY HOUSING

Living in a residence hall is a great place to start if you want to meet other students and get involved in campus life. In fact, more than 5,000 students live in UTA’s 20-plus communities, which include residence halls and apartments. Some benefits to living on campus are the close proximity to your classes and quick access to University resources. Apartment and Residence Life staff help organize intramural teams and host community builders and study sessions, all for the residents living in these communities. Centennial Court is also located on campus and houses close to 1,000 residents. This community is managed by Century Campus Management Inc. Information about on-campus life, floor plans, amenities, and prices is available on the University Housing website. University Center (main level) • 817-272-2791 • uta.edu/housing • housing@uta.edu

Food isn’t hard to find at UTA.

CAMPUS EATERIES

Students may choose from a variety of foods when visiting the UC. The Connection Café offers the Real Food on Campus program, which features several all-you-care-to-eat stations, including pizza, pasta, salads, sandwiches, burgers, desserts, and vegetarian/vegan dishes. In addition, The Plaza food court features Chick-fil-A, Subway, Panda Express, Moe’s, and Sushic sushi and noodles. Around the corner from the Plaza is Starbucks, which is one of the largest locations of its kind at a U.S. university.

The P.O.D. Market in the UC sells everything from bottled beverages and snacks to Scantrons and UTA apparel. The Maverick Activities Center houses a smaller market store. College Park District features Pie Five Pizza Co., CoolBerry Frozen Yogurt, and Texadelphia.

The Central Library houses a full-service coffee bar that proudly brews Starbucks coffee and is open six days a week. In the Fine Arts Building, Einstein Bros. Bagels is the perfect stop for breakfast, lunch, or coffee anytime.

All you care to eat or pay as you go.

MEAL PLANS

Dining at UTA is convenient and valuable by choosing a meal plan best suited for your eating habits and schedule. The meal plan lets you enjoy all-you-care-to-eat dining for breakfast, lunch, and dinner in the Connection Cafe. Students also receive Dining Dollars that can be used at all campus dining locations, including College Park District restaurants. To sign up for a meal plan please visit the University Housing Office.

As a student, you invest your time and money in us. So we try to invest as much as you by providing a variety of support services to help you stay connected, find a job, work smarter, stay healthy, and make the most of your college experience.

MEDIATION SERVICES

Mediation services are provided to aid students in reconciling interpersonal disputes with other UTA students, including roommate conflicts and arguments with friends, significant others, or other students in a campus organization. Mediation often allows students to avoid facing a student conduct violation for handling the dispute inappropriately. Mediation services also can provide free court-ordered and family mediations through the campus attorney. The program has a group of faculty and staff who are credentialed mediators and can assist students in negotiating an arrangement that is agreeable to everyone involved in the dispute.

OFFICE OF COMMUNITY STANDARDS

The Office of Community Standards implements student conduct and discipline policies found in the University’s Handbook of Operating Procedures and the UT System Regents’ Rules and Regulations. It upholds and supports standards of honesty, integrity, and personal responsibility for all students. The University enforces these standards through fair and objective procedures governing instances of alleged scholastic dishonesty (cheating, plagiarism, collusion) as well as non-academic misconduct. Consistent with this goal, the office is engaged in educating the community regarding standards of behavior and procedures used in the resolution of student disciplinary allegations. Full policies and procedures, including the UTA Honor Code, are available on the Student Conduct website. Office of Community Standards • 817-272-3234 • uta.edu/conduct

UTA Counseling and Psychological Services (CAPS) is committed to helping students meet their full personal, academic, and career potential. STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT
UTA is in compliance with the Student Right-to-Know and Campus Security Act. Its provisions are as follows:

In compliance with the federal Jeanne Clery Disclosure of Campus Security Policy & Campus Crime Statistics Act, formerly the Student Right-to-Know & Campus Security Act (P.L. 101-542, as amended), the University publishes specified campus crime statistics and campus security policies through the Office of the Chief of the University Police. Campus security policies include:

• Procedures for reporting criminal actions or other emergencies occurring on campus;
• Policies concerning security of and access to campus facilities, including campus residences, campus law enforcement authority, and responsibilities;
• A description of programs designed to inform students and employees about the prevention of crimes and campus security procedures;
• The policy of monitoring and recording of students’ criminal activity occurring at off-campus locations of student organizations officially recognized by the institution;
• The policy regarding the possession, use, and sale of alcoholic beverages and illegal drugs, and enforcement of federal and state drug and drinking laws;
• A description of drug or alcohol-abuse education programs; and
• Sexual assault programs to prevent sex offenses and procedures to follow when a sex offense occurs.

Crime statistics may be accessed on the University Police website at uta.edu/police. Crime statistics from UTA or any other university may also be accessed on the Department of Education’s website, ope.ed.gov/security. To receive a paper copy of the most recent Campus Fire and Safety Report, call the UTA Police Department at 817-272-3381 or send a request to Box 19229, Arlington, TX 76009.

Keeping mom and dad up-to-date.

**PARENT & FAMILY CENTER**

Parents play a very valuable role in keeping the lines of communication open between students and various key offices on campus. The center helps families and students understand institutional processes so they can concentrate on academic, social, and overall success. The Parent & Family Center is available Monday through Friday during business hours to answer any questions parents or family members may have.

UTA throws a party.

**PARENT & FAMILY WEEKEND**

Parent & Family Weekend is a time for the whole family to experience more of what UTA has to offer. Because parents and families are valuable members of the Maverick community, we want them to feel welcome on campus and have a deep understanding of what UTA is about. Past Parent & Family Weekends have included faculty spotlights, glass-blowing demonstrations, campus tours, open houses, athletic events, live concerts, delicious meals, and a fall festival. Parent & Family Weekend offers new and exciting events each year, so whether it’s your first or fourth time to attend, prepare yourself for a weekend to remember. The event is held every October. Registration information can be found online.

Fun and volunteerism in the sun.

ALTERNATIVE BREAK PROGRAM

Alternative Breaks are an opportunity for students to travel to different communities to participate in weeklong community service projects and learn more about issues such as literacy, poverty, racism, hunger, homelessness, and the environment. While making a difference in these communities, students have the chance to learn about the problems faced by members in the community with whom they otherwise may not have had contact. Destinations have included New Orleans, Louisiana; Catalina Island, California; Atlanta, Georgia; Moab, Utah; and Cincinnati, Ohio. Trips are available for weekend, winter break, and spring break. uta.edu/alternativebreaks

Draw, play, act, and enjoy.

THE ARTS

UTA showcases talented students and faculty as well as renowned visiting professionals in its galleries and performance spaces. The Gallery at UTA features at least four exhibitions a year that include works by regional, national, and international contemporary artists, as well as bachelor’s degree shows at the end of each fall and spring semester. The Music Department schedules solo recitals, ensemble performances, opera workshops, and almost everything in between, spotlighting students, faculty, and visiting artists. Mainstage Theatre is home to challenging and entertaining productions staged by Theatre Arts students and faculty. Students also direct works in the Spring Theatrefest. uta.edu/gallery • uta.edu/music • uta.edu/theatre

Have the time of your life.

EXCEL CAMPUS ACTIVITIES

EXCEL Campus Activities is a student programming board established by the University to promote campus and community involvement by offering cultural, educational, social, and traditional events for the enrichment of student life and to bring students together. These events are open to all students at the University, however, students involved in the programming board gain hands-on experiences in leadership and organizational training that complement their learning and personal development through the college experience. Come learn more about how EXCEL Campus Activities brings college to life. B160 University Center (lower level) • 817-272-2963 • uta.edu/excel

Meet your new brothers and sisters.

FRATERNITY AND SORORITY LIFE

Fraternity and Sorority Life prepares young men and women to be contributing members of society during their college years and beyond. Members participate in academic, leadership, social, and service opportunities on and off campus geared to enhance their educational experience and contribute to their personal development. Most importantly, Fraternity and Sorority Life assists in the development of lifelong friendships. The fraternity and sorority community at UTA is composed of more than 1,000 students in more than 30 fraternities and sororities, including an affiliated honorary organization, Order of Omega. Education doesn’t end in the classroom. It continues in every aspect of student life, from living in residence halls to participating in EXCEL events, from playing sports to going Greek. As new experiences lead to new discoveries, you’ll find out what learning without limits is all about.
Celebrating diversity.

MULTICULTURAL AFFAIRS

Multicultural Affairs offers a variety of programs that celebrate the rich diversity found at UTA. Programs also help to educate the campus about current social justice issues. The staff provides activities that recognize diversity on multiple levels, including — but not limited to — race and ethnicity, gender, sexual orientation, disability, and religion/spirituality. Students can get involved with the Multicultural Mavericks (Hispanic Heritage, Asian Heritage, and Black History Months), the Women in Leadership Program and Women’s History Month, the Leaders Educating About Diversity, Diversity Week, the Diversity Lecture Series, Native American student programs, and/or the LGBTQA program. There’s something for everyone.

REGISTERED STUDENT ORGANIZATIONS

With hundreds of student organizations, UTA makes it possible for almost any student to get involved in the life of the University. These groups include a variety of categories including professional, social, honorary, recreational, religious, international, political, or special interest. Many organizations encourage their members to grow professionally and socially by hosting speakers, networking, events and service projects. A complete list of UTA's registered student organizations is available online. B120 University Center (lower level) • 817-272-2993 • mavorgs.uta.edu

Tomorrow’s leaders.

ROTC

The mission of the Maverick Battalion is to recruit, educate, train, and inspire future leaders of character. ROTC cadets are committed to Army values and prepared to lead in a complex environment. There is no future Army commitment required; you can try it out during your freshman and sophomore years and gain valuable leadership skills. 600 S. Serving the student body.

STUDENT CONGRESS

Student Congress is UTA’s elected representative body for students. Members work to implement change at UTA, solicit concerns, and propose resolutions to solve problems. They serve as the major link between students and the administration. Student Congress elections are held each spring and fall. RECREATION

Sports for all.

ADAPTIVE RECREATION

The Adaptive Recreation program is a rewarding program that brings more recreational opportunities to students with disabilities. Programming includes invitations to students with disabilities from other colleges and university programs in the area, high school students with disabilities, able-bodied students who are studying disability sport and recreation programming, and people with disabilities in the community. Adaptive Recreation offers an intramural program that includes a soccer clinic for visually impaired students, and wheelchair divisions in billiards, table tennis, badminton, 4-on-4 football, 3-on-3 basketball, boccia, tennis doubles, and more. 500 W. In it to win it.

INTRAMURAL SPORTS AND SPORT CLUBS

Intramural sports provide organized recreational and competitive activities with fellow UTA students, faculty, and staff. Activities include flag football, bowling, soccer, golf, table tennis, billiards, and more. The Sport Clubs program serves individual interests in sports and recreational activities. Some clubs represent UTA in intercollegiate competition and/or conduct practice and instruction. Currently, there are more than 21 active clubs, including men’s and women’s soccer, men’s and women’s volleyball, martial arts, lacrosse, and more. 500 W. Buzzer-beaters and home runs.

ATHLETICS

UTA successfully combines outstanding academic life with an NCAA Division I intercollegiate athletics program that is reaching new heights with its 7,000-seat arena, College Park Center, which opened in 2012. In 2015, Movin’ Mavs and Lady Movin’ Mavs athletes brought home three national tennis titles. Eight have been named all-americans depending on the interest of our student athletes.

SPIRIT GROUPS

UTA Sport Groups consist of the three-time national champion cheerleading squad, dance team, mascot, and the Maverick Wranglers. Together, the groups provide support for UTA athletic teams and lead the University community in spirit. These athletes represent UTA at the collegiate national championships and host camps and clinics throughout the summer. 500 W. Nedderman Drive • 817-272-3277 • uta.edu/spiritgroups

CAMPUS NEWS

Read all about it.

THE SHORTHORN

The Shorthorn is UTA’s oldest and most-honored source of news and information. Students created the award-winning student newspaper in 1919. In 2012 it became one of the first college newspapers in the nation to offer a hybrid print/online “digital first” schedule. Today, you can receive Shorthorn content in print or by email, mobile apps, a tablet edition, and social media. Shorthorn discussions also allow you to be part of the campus dialogue. The Shorthorn delivers news as it happens through its website, Facebook page, and Twitter feed. It also provides a daily summary — The Shorthorn Daily Digest — emailed to you with links that will work on any mobile device or computer.

The print edition is published every Wednesday. Pick up a free copy of the print edition at locations around campus and at businesses near campus. University Center (southwest corner) • 817-272-3189 • theshorthorn.com • facebook.com/theshorthorn • twitter.com/utashorthorn

UTA RADIO

UTARadio.com is an online, award-winning, student-run radio station that offers a mix of alternative/indie rock, news, and entertainment 24/7, 365 days a year. Sports is also a critical element, with broadcasts covering Mavericks basketball, men’s and women’s volleyball, baseball, and the Movin’ Mavs wheelchair basketball team. UTA Radio was the only university station in North Texas to broadcast from Super Bowl XLIV. In March 2012 UTA Radio joined Clear Channel’s Internet radio platform, iHeart Radio.
