CHOOSE A LIFE WITHOUT LIMITS

THE UNIVERSITY OF TEXAS AT ARLINGTON
WELCOME TO YOUR PLACE OF DISCOVERY

You have to go all in. College is about hitting the books and making the grades, but it’s also about diving in and making the most out of a once-in-a-lifetime experience. That means getting involved. Finding your own way. Growing into the person you’re meant to become. And, of course, having fun.

On any given day at UT Arlington, you’ll find fellow students competing in campus recycling contests, fundraising for charities, attending a Movin’ Mavs game, leading workshops, or working out at the Maverick Activities Center. You’ll find them living their lives The Maverick Way: exploring everything college life has to offer and using that to be better. To do more. And live life to the fullest.
DIVERSITY AND INCLUSION

CELEBRATE DIVERSITY AND EACH OTHER

UT Arlington is one of the most diverse campuses in the nation. Walking on campus is like opening a door into the real world. Explore your understanding of new cultures and increase your knowledge of the world. Enhance your self-awareness. The big picture never looked sharper.

Participate in a Multicultural Affairs event like Asian Heritage Month, Black History Month, or a Diversity Lecture Series. Take a study abroad course. Attend International Week events, or just share an experience with someone different than you. It’s all about expanding your horizons.

INTEGRITY

MAKE SMART DECISIONS

Mavericks are people of absolute integrity. They weigh their options, make good choices, and are mindful as they consider the lives they will live today and tomorrow. We encourage you to be intentional as you develop your own sense of integrity. After all, our choices define us. What will yours say about you?

Whether you’re demonstrating good sportsmanship on the intramural fields and at athletic events, modeling ethical decision-making, or living according to the tenets of the Honor Code, you are exercising your ability to live thoughtfully, to be accountable, and to make a positive contribution to the world around you. High five.

SIGN ME UP!
The Office of Community Standards, in collaboration with Academic Affairs, developed the Honor Code. It can be found in the undergraduate and graduate catalogs and hanging in almost every building on campus.

WE’RE SO GOOD AT PROMOTING DIVERSITY, WE GET AWARDS FOR IT.

Diversity Week: It’s a Maverick World was selected as the silver medal honoree in the International, Multicultural, Cultural, LGBTQ, Spirituality, Disability, and Related category of the National Association of Student Personnel Administrators.

RESPECT AND CIVILITY

RESPECT YOUR FELLOW MAVERICK

At UT Arlington, we promote a culture of respect and dignity. Because the success of one of us fuels the success of all of us, we value every unique contribution and talent that comes together to make the Maverick community strong. SPIRITED MAVERICK

“I AM REALLY PROUD TO CALL MYSELF A MAVERICK. I LOVE SEEING THE CAMPUS AND COMMUNITY COME TOGETHER TO SHOW THEIR MAVERICK PRIDE. THE ENERGY HERE IS AMAZING.”

—JESSICA STROUP, PUBLIC RELATIONS

PREPARE TO GET DIRTY.

Held every fall since 1989, Oozeball is a mud volleyball tournament that pits teams of students, faculty, staff, and alumni against each other in ankle-deep muck. It’s annually voted the University’s favorite tradition.
