

Angelica Chavez Bio - SHHS

My name is Angelica Chavez. I really enjoyed all of the friends and memories that I made at Bowie High School. I will cherish them forever. In my senior year, I was blessed with the opportunity to be a practicum student and had an internship at Arlington Memorial Hospital in the ER department for 6 months. I was a student in the Dual Credit, Honors, and AP courses. I will be graduating in the top 25% of my class. My academic focus was primarily in the health science program. I have been admitted to the University of Texas at Arlington and I will be a student there in the fall. I plan on majoring in Nursing. My dream is to become an ER nurse. In my free time, I volunteer outside of school with a program called TRIO, I work part time in retail, and I am also an active member in the Grand Prairie Youth Boxing Club. Even though my senior year did not end the way I expected it to, I am forever grateful for reaching this milestone in my life. I have hope for the future and I am optimistic about the goals I will achieve. I want to do my part to make this world a better place.

Thank you,

Angelica Chavez
